

Last #keepup partner meeting in Milano

#keepup partnership organized its final partner meeting in Milano to discuss the last steps of the 27-month long project. Participants on the spot and also online went through all the project results developed in the project, and went through the tasks what should be finalized in the upcoming days. The partnership also started to make preparations for the final report of the project.

The developed e-learning platform and training materials on digital skills, e-commerce and climate change can be found here: <https://lnkd.in/dDiiqRBG>

Your feedbacks are still welcome via the following survey: <https://lnkd.in/dTiKCDnq>

Help us improve and further develop our #keepup platform!
